

# Ultrafinish

Interior wall paint

# SHIELDCOAT

High Performance Paint and Coating Systems

## Product Description

Ultrafinish is a high-performance, low-sheen coating designed for interior walls. Available in white, strong, deep, and ultra-deep bases, it delivers a sophisticated, smooth finish with enhanced durability. Ideal for high-traffic areas, it resists stains and scuffs while providing a soft, elegant look that complements modern interiors.

## Directions for use

Apply as a second or third coat for a smooth, durable finish. Use a tip size of 517 for spray applications or a roller for even coverage. Ensure surface is clean and dry before use. Ideal for walls requiring low sheen and long-lasting protection.
