

# Ultramax Fence

Self priming fence paint

# SHIELDCOAT

High Performance Paint and Coating Systems

## Product Description

Ultramax Fence designed specifically for fencing. It provides a durable, weather-resistant finish that protects against the elements while enhancing the appearance of wood, metal, and other fencing materials. Ideal for residential and commercial applications, Ultramax Fence covers well and offers great protection, making it perfect for outdoor environments.

## Directions for use

Apply as the first or second coat on clean, dry fencing surfaces. Use a tip size of 515 for spray application or a suitable brush or roller for detailed areas. Ensure surface is free of dirt, dust, and contaminants before use. Ideal for both wood and metal fences.
