

Ultraprime 3 in 1

Int / Ext primer, sealer and undercoat for most substrates

SHIELDCOAT

High Performance Paint and Coating Systems

Product Description

Ultraprime 3 in 1 is a versatile primer, sealer, and undercoat designed for both interior and exterior use. It provides excellent adhesion, ensuring that topcoats adhere smoothly and last longer. Ideal for a wide range of surfaces, Ultraprime 3 in 1 enhances the finish of topcoats while providing stain-blocking and surface preparation in one easy application.

Directions for use

Apply as the first coat on prepared surfaces to ensure optimal adhesion and a smooth finish. Use a tip size of 515 for spray application or a suitable roller for larger areas. Allow to dry before applying topcoat. Perfect for use on walls, ceilings, and trim.
