

# CT Sealer

High adhesion sealer for concrete tile roofs

# SHIELDCOAT

High Performance Paint and Coating Systems

## Product Description

CT Sealer is a premium acrylic sealer designed for concrete tile roofs, offering high adhesion and superior protection. It seals the surface, improving the bond between the tiles and topcoats while providing a durable, long-lasting finish. Ideal for both new and existing concrete tile roofs, CT Sealer ensures a smooth surface that enhances the longevity and performance of the roof.

## Directions for use

Apply as the first coat to prepare concrete tile roofs. Use a tip size of 519 for spray application or a suitable roller for larger areas. Ensure the surface is clean, dry, and free of contaminants before application. Perfect for enhancing adhesion and preparing surfaces for topcoats.
